

**S1, S2 & S3 WITH NO COST TO EMPLOYER!**  
**AVAILABLE THROUGH SAFETY TRAINING & INDUCTIONS**  
**NO COST!!**

**Mining Supervisor (Formerly S1, S2, S3)**

Safety Training & Induction, S1 S2 S3 training program has been specifically designed for individuals employed in the resource industry who are required to undertake the role of and perform the duties and requirements of a Supervisor under CMHS Act 2002. Following Industry consultation this course can be updated to include RIIRIS402A – instead of RIIRIS301A

**This nationally recognised training program requires participants to complete the following three units of competency to achieve a Statement of Attainment:**

- **RIIRIS301A Apply Risk Management Process or RIIRIS402A Carry out the risk management processes (Extra Cost \$300 for 402A Elective)**
- **RIIOHS301A Conduct Safety and Health Investigations**
- **RIICOM301B Communicate Information**

Our extensive 3 day S1 S2 S3 training program includes the completion of assessments and provides participants with the knowledge and skills to:

- **Conduct inspections**
- **Carry out risk management concepts and be able to perform risk assessments in accordance with the hierarchy or control**
- **Develop site working instructions**
- **Identification and documentation of courses of action to resolve and/or prevent re- occurrence of the issues or problems**
- **Conduct incident investigations**
- **Understand and demonstrate appropriate methods of communication**

**This Course is fully Government Funded that is there is NO cost for Trainers back to the PCBU (Employer).**
